

AMGA Hole in One Program

A 'Hole in One' made during a 'Scheduled AMGA Event' will be awarded \$250 and receive an AMGA recognition plaque.

A 'Hole in One' made during 'Open Play' (Monday, Tuesday, Wednesday non-scheduled AMGA event play) will be awarded \$50 and receive an AMGA recognition plaque.

In both cases above:

Payout additionally applies to a 'Double Eagle' or an Albatross.

Payout will be made regardless the course of AMGA play.

Hole in One Pot – All Hole in One payouts will be pre-paid from member positive earnings. If you don't win any money you won't contribute. 2022 we had 4 Hole in One's. That's extreme, but let's assume we have 1 Hole in One for a 'Schedule AMGA Event' and 1 for an 'Open Play' event. So, \$250 and \$50 respectively and \$50 / recognition plaque or \$100. Total of \$400. Let's say we have 65 members and 45 of them win money > than the amortized amount for award money and recognition plaque. $\$400 / 45 = \8.89 . \$8.89 will be assessed (taken out) before you receive your year end checks. If you made less than \$8.89 you will receive a check for that amount.

AMGA 'Hole in One(s)' are valid only for gross 'Hole in One' or Albatross' and during the AMGA prescheduled playing year.
